GULF SAFETY FORUM & OPEX MENA 2019 HIGHLIGHTS

Operational efficiency and safety are of paramount importance for companies across all sectors and once again key players are meeting at the Gulf Safety Forum and OPEX MENA 2019, organised under the Patronage of H.E. Shaikh Mohammed bin Khalifa Al Khalifa, Minister of Oil, supported by the National Oil & Gas Authority (NOGA) and with Bahrain Petroleum Company (BAPCO) as principal sponsor.

On 25th and 26th March, representatives from diverse industry sectors including oil, gas, petrochemicals, construction and manufacturing gathered at the Gulf Safety Forum to discuss strategies for continuous improvement of safety procedures as well as share successful case studies and roadmaps towards achieving the goal of zero accidents. The forum kicked off with the third edition of the GSF Safety Award which was presented by H.E. Shaikh Mohammed to this year's winner – Saudi Aramco Power Systems.

On the 27th and 28th March, participants discussed best practices for creating competitive advantage and maximizing profitability of their assets. The sixth edition of the OPEX MENA conference included presentations by leading operators: ADNOC Refining, Bapco, ENOC, GPIC, MOL Group, Orpic, KIPIC, Saudi Aramco, Satorp, Sipchem as well as cutting-edge consultants and service providers such as Dekra, DuPont Sustainable Solutions, Honeywell and Solomon Associates.
