

THE PREMIER EVENT FOR THE MIDDLE EAST DOWNSTREAM INDUSTRY GOES VIRTUAL!

MIDDLE EAST TECHNOLOGY FORUM FOR
REFINING & PETROCHEMICALS

15-18 February 2021 **VIRTUAL**

ORGANISED BY

ME-TECH 2021 MARKETING OPPORTUNITIES

Join us virtually at ME-TECH

– the essential meeting place for the downstream industry bringing together senior representatives and specialists from regional end-user companies with the leading licensors, technology companies and innovative service and solutions providers.

ME-TECH VIRTUAL 2021 will provide a unique platform to share latest projects, discuss market trends and the challenges and opportunities that come with them and become updated on the latest technological advances which will drive the refining and petrochemicals industries towards greater growth and efficiency – all through a mix of highly interesting papers, panel sessions and interactive exchanges.

During this time, the importance of Networking is greater than ever. We are delighted to announce new and innovative ways to support networking during ME-TECH 2021 through our tailored made virtual platform.
