EPC brought together the right mix of consultants, solution providers and operators to hold needed conversation on current challenges and opportunities in the GCC.

HONEYWELL UOP

We at **Euro Petroleum Consultants** pride ourselves on the relationship we have with the industry, ensuring that we always listen to our clients, producing events that offer value for money and high return on investment. Each year, ME-TECH grows and attracts more high level representation from the industry, we are also delighted to welcome returning clients at each edition of the conference. ME-TECH 2017 was our best yet with more than a third of the audience being end-users from both the refining and petrochemical community.

WELCOME TO ME-TECH 2018

ME-TECH 2018 will again be the premier downstream technology event in the Middle East, incorporating high-level strategic keynote speeches by end-users and NOCs, macro-economic scene setting overviews from industry experts discussing the future of the industry, interesting and interactive panel discussions on highly topical subjects and technical presentations from technology companies and solution providers.

In addition, there will be a pre-conference seminar for end-users hosted by Honeywell UOP, hospitality suites for corporate entertainment and one-to-one meetings, an exhibition showcase, roundtables and ample opportunity for relaxed networking at social functions.

We look forward to welcoming you to ME-TECH 2018!

Conrad Hotel Dubai

Conrad Hotel Dubai is located in the heart of Dubai's buzzing financial and shopping district, minutes from Dubai Mall, Burj Khalifa and Dubai International Airport. This luxurious hotel in Dubai offers accommodations with panoramic views, five unique dining and entertainment venues, an exotic outdoor pool, luxurious spa, a fitness center and yoga pavilion. The hotel has direct access to the Dubai World Trade Center metro station and is 10 km away from Dubai International Airport, approximately 15 minutes' drive.

Euro Petroleum Consultants has negotiated special rates for ME-TECH 2018 delegates at the Conrad Hotel Dubai. Details on how to book your room will be sent to you after you have registered to attend ME-TECH 2018. We recommend booking your accommodation as soon as possible as there are limited rooms available with the discounted rates at the hotel. Please note that February is the peak tourist season in Dubai so hotels will have limited availability.

Excellent event focused on key and recent issues concerning R&P integration. Invited excellent pool of presenters talking about current regional mega-projects /programmes that will re-shape the future of the industry regionally and eventually globally. Thanks to EPC for their outstanding arrangements.
